Corporate users are not extended billing terms. You will still be provided monthly statements to summarize and reconcile your account.

Corporate Users are encouraged to reward good service at their own discretion. If tabs in the restaurant or beverage cart are not signed or settled up in writing, a 20% gratuity will be added to your chit for that transaction.

## **How do I login to make tee times?**

Once your application is processed, your customer class will be changed to Corporate. You will login with your email address, and the default password is stoneridge (all lower case). Once logged in, you will be able to make, change and cancel your tee times. Rates posted will be reflective of your corporate discount.

## **Can I book advanced tee times?**

We understand there are occasions where you need to book outside of our standard booking window to host your groups and this can be done directly with Head Golf Professional, Mark Hetland for pre-paid advanced golf ([mark@stoneridgegc.com](mailto:mark@stoneridgegc.com)).

*\*Thursday afternoon blackouts exist for Member Only times in prime golf season.*
